There will be only **one third place awarded**, for which competitors will fight in two rounded match.

Group system progress key:

- 1-5 competitors = 1 group. 1st-3rd place is determined by the points earned in the group
- 6-8 competitors = 2 groups. The winners of the groups fight for the gold in two rounds, the runners-up from the groups fight two rounds for bronze.
- 9-11 competitors = 3 groups. Group winners advance to the final group where they fight each other for the final position.
- 12-16 competitors = 4 groups. Group winners advance to the final spider. Losers of the first have a mutual extra match for bronze (two rounds), finalists fight for gold in two rounds.

Key to determine group standings in the event of a tie:

- 1.) more points gained in the group
- 2.) mutual match
- 3.) better score (i.e. absolute difference between the FOR and AGAINST flags. Can be +/-)
- 4.) more convincing victory (i.e. higher total of PRO flags)
